In all age divisions it is mandatory rotation and every girl has equal playing time. Due to the CBFO North program being new we will not be offering a competitive division for the first season. If there is enough interest we will consider starting a middle school competitive division in the Fall of 2012. Games are on Saturday, beginning 04/07/12 with the tournament set for 05/12/12. Game times typically go from youngest beginning at 8:00 a.m., to oldest age divisions, with game day ending at approximately 7pm. Each team will have 2 games every Saturday and the tournament is a double-elimination tournament. CBFO provides a trophy and/or medal for all players.

## COMMUNICATION

All communication is by email; make sure you put a legible email address on the appropriate line. You will receive an email after registration closes with information about parent meeting, etc. After all teams are drafted you will receive an email with your team roster, coach contact information, practice night/location and game schedule. At the parent meeting there will be an opportunity to purchase knee pads, volleyball t-shirts, spandex, and other volleyball items (these items are optional and not required, they are cheaper to purchase than in stores or online due to our volume discount as well as supporting the CBFO organization).
